Dear Mr Sturdy

WOTTON HOUSE INTERNATIONAL SCHOOL - MATERIAL CHANGES

Thank you for your email of 10 June 2020 informing the department that the school wishes to admit pupils for a specific period on a basis which exceeds the school's registered age range.

The change you have requested is a 'material change' which requires the approval of the Secretary of State. However, there is no provision for a temporary material change. As a result, we have treated your request as an application for the following material changes:

- i. to admit pupils aged 10 to 17 with effect from 23 June 2020;
- ii. to return the age range of the school to 10 to 16 with effect from 31 July 2021.

Following consideration of whether the independent school standards will continue to be met by the school, these two material changes have been approved.

The department will write to the school shortly before 31 July 2021 as a reminder that the school must revert to its previous age range.

The material changes will both be reflected in the school's registered details on GIAS (Get Information About Schools) at the appropriate times.

Yours sincerely

James Moxon
Independent Education and Boarding Team
